# When it's all about the floor...

**Amtico Décor is an artisan collection, evocative of timeless British designs, perfect for adding decorative detail to a space.**

From the timeless geometry of Classic to the graphic styling of Echo, these floors are at home in both period schemes and modern, contemporary settings. Use Décor for bar skirts, boutique lobbies, elegant bathrooms or anywhere that requires visual impact.

DC485 Chequer Mono with 9mm bronze stripping.

## Creative & flexible

Amtico Décor is created in-house using products from the Amtico Signature collection. This means you have over 200 complementary products available to use alongside your Décor design. Match the Décor palette to create a balanced scheme or go for contrasting materials like wood or stone to create a standout feature.

## Precision-cut detail

Each tile is individually cut and bevelled and comes in a pre-taped module, for quick, clean, easy installation. And made to the same specification as our premium Signature LVT, the finished floor will stand up to heavy footfall and repeated cleaning cycles without losing impact.

# Introducing Décor borders and corners

Choosing the right border has the power to transform a space. Useful for subtly zoning areas, drawing attention to an architectural focal point, or elegantly joining different flooring between rooms, borders undoubtedly elevate a room's aesthetic.

## Bevelled Diamond

Border AROB270B and  
Corner AROC27SB - 76 x 914mm

Products shown: A = Stucco Flax,

"Borders are the perfect finishing touch for your space. When combined with a complementary perimeter product, they are a fantastic way of framing your interior, and they can be used to dial up or down the level of decoration desired."

## Lorna Williams

Head of Product Design  
and Visual Creation
