

CALLISTO

Designed by Rex Johnson.

The Callisto collection offers crisp contemporary lines and reassuring comfort, with a respectful hint of 1950's retro cool. These versatile designs possess a timeless appeal that will compliment any interior.

The flared shape of Callisto provides a dramatic angled finish – visible from wherever you’re standing. The stitching detail, achieved by ‘quilt-ing’ together the outer fabric with an inner foam to create deep ridges, creates Callisto’s distinctive surface.
