design

Flamingo is a flexible and versatile laptop table from Boss Design. Ideally suited to the office or home environment, the aptly named Flamingo offers users an ergonomic seating experience whether working from a lounge chair or sofa position.

Flamingo is available as standard with a painted or chromed leg. The top can be specified in a high pressure laminate or veneer. Other finishes are also available to special order.

# | environment

The Flamingo laptop table has been designed with the needs of the user and the environment in mind and has been designed to minimise any negative effect on the environment.

During its life, components such as the top can be easily removed and replaced if required. The top, stem and base are all produced in accordance with the ISO: 14001 standards. At the end of its life Flamingo can simply be disassembled so that each component can be appropriately recycled.

Presented with The Queen's Award for Sustainable Development 2009, FSC accredited and a carbon neutral company, we only work with like minded suppliers who use raw materials and components obtained only from ethical sources.

Uncompromising on quality, we purchase materials with a high recycled content. We work closely with local suppliers and constantly review our global logistics operation to ensure we minimise any negative impact on the environment.

We actively monitor the carbon footprint of our products throughout their life-cycle to ensure they meet Boss Design's environmental policy.

We partner with the Greenworks organisation to deliver our award winning end-of-life product management process, where we arrange for our client's old furniture items to be collected and redistributed to charities and other good causes. Alternatively, unsuitable furniture is always broken down and recycled.

## | warranty

Boss Design provides a 5 year guarantee on all Flamingo laptop tables against weld breakages, defective material, workmanship and performance under normal use. This guarantee is valid from date of delivery. The Boss Design warranty becomes invalid if the product shows signs of abuse or improper use or other physical damage.

The Boss Design warranty excludes those parts which are subject to normal wear and tear in use. The Boss Design 5 year warranty excludes surfaces on chairs seats and backs.
