hoot

designed by Boss

Hoot is a versatile and playful accompaniment to the Boss Design portfolio. Its practical structure offers a unique aesthetic that looks at home in any reception, breakout, bar or lounge area.

Its distinctive design allows each stool to neatly nest together to create a multitude of configurations including benching and individually shaped formations.

Hoot is available in a wide range of fabric choices to accompany any upholstery product from the Boss Design portfolio, making it the ideal auxiliary piece.

Environmental statement

At Boss Design we are passionate about caring for the environment. We are holders of the Queen's Award for Enterprise for Sustainable Development, FSC accredited and a carbon neutral company.

Not prepared to compromise on quality, wherever possible we purchase raw materials with the highest recycled content. We work with like-minded suppliers who use raw materials and components obtained only from ethical sources.

We constantly review our global logistics operation to ensure that we minimise any negative impact on the environment. We actively monitor the carbon footprint of our products throughout their life-cycle and work closely with the Greenworks organisation to deliver our award winning end-of-life product management process. This service allows clients old corporate furniture to be collected, redistributed and reused by local good causes. Where furniture is not fit for reuse it is broken down and recycled.
