

A close-up, low-angle shot of a modern chair. The chair features a vibrant red, textured upholstery, likely velvet or a similar plush fabric. The focus is on the sharp, angular lines of the seat and backrest, which are joined by a thin, dark seam. A polished, reflective chrome leg is visible, extending from the underside of the seat. The background is a clean, bright white, creating a high-contrast, minimalist aesthetic.

design

The Layla collection is the perfect example of classic, simple design, where less is definitely more. The collection can be further enhanced by a range of complementary coffee tables.

This image shows the Layla three-seater sofa with tubular frame base, and the 650mm x 650mm coffee table with sandblasted glass top.

Layla Coffee Tables

Options

Layla is available as an arm chair, 3-seater and 4-seater sofa. The Layla Landscape offers a range of modular units including; a corner unit, right hand unit, left hand unit, chair, sofa, single bench and double bench. All options are available with either a steel tubular frame or polished aluminium legs.

The Layla range can be further enhanced by a selection of complementary coffee tables. The coffee tables are available with either a square or rectangular glass top which can be provided in clear, sandblasted or a coloured finish. The coffee table range has a steel tubular frame.
