# MATCHWINNER

Matchwinner is the high performance sand-dressed synthetic sports surface from Playrite. The logical choice for new and refurbished projects.

## Product

Vertical loop needlepunch, sand dressed and suitable indoor and outdoor.

## Upgrade

The ultimate for the upgrade of existing, hard porous surfaces.

## Stability

The scrim-reinforced surface brings high stability with no rucking.

## Fast Installation

Only 12kg per m<sup>2</sup> of sand required on multi sport.

## Multi-Sport

Suitable for football, tennis, hockey, netball, training and playgrounds.

## Low Maintenance

Can be cleaned with power washers. Inlaid lines require minimum maintenance thus reducing on costs.

## Warranty

Subject to conditions and exclusions, all products are guaranteed against defects in manufacturing, materials and workmanship, ultra violet degradation and excessive wear. Conditions apply, contact Playrite directly for additional details. Quality assured to British standards.

## Inlaid Line Option

Lines can be permanently inlaid in white, yellow, red or blue and are supplied pre-cut to relevant standards.

## Player Friendly

Impact absorption means less stress on ankle and knee joints.

## Added Value

All weather usage maximises playing time and increases revenue potential.

## Match Pad 1500/2250

### Upgrade

The impact absorbing and bounce modifier makes this the ideal surface for large area pitches.
