# WELCOME

C.P. Hart has specialised in bathrooms for over 70 years. We remain fully committed to building on our reputation as the UK's leading supplier of designer and luxury bathrooms.

Our relationship with many of the world's leading design houses enables us to regularly offer exclusivity on collections such as those from Alessi, Starck, Urquiola, Foster, Lovegrove, Citterio and Hayón. We also have a wide range of our own bathroom collections, as well as those from all the leading manufacturers, enabling us to meet a very broad range of budgets to suit any bathroom project.

## DESIGN SERVICES

Every C.P. Hart sales consultant can give you expert advice on planning your bathroom. We are also able to offer various levels of design service by our professional, trained design team. We have a strong design vision, but an absolute commitment to delivering a bathroom that is yours and yours alone.

## CONTRACTS TEAM

Our specialist Contracts department offers a comprehensive service for the residential, hotel and commercial development sectors. Please call the team on 0845 600 1980 to discuss your project.

## CONTACT US

For professional advice or to place an order by telephone, call us on 0845 600 1950 or visit [www.cphart.co.uk](http://www.cphart.co.uk)

## HOW TO USE THIS DIRECTORY

It's best to use this Directory in conjunction with our website – [www.cphart.co.uk](http://www.cphart.co.uk) – where you will see images and descriptions of thousands of C.P. Hart bathroom products. You can then refer to this Directory to see prices and dimensions.

### C.P. Hart bathroom components are divided into:

- Basins, bidets and WCs
- Taps and shower controls
- Baths – free standing, inset and spa
- Showers – shower screens, doors, trays and complete enclosures
- Furniture – storage, vanity units, basin stands and counter tops
- Heating – radiators, heated towel rails, underfloor and concealed systems
- Accessories – lighting, media/entertainment, surfaces and accessories

### In terms of style, our bathroom collections are divided into:

#### CUTTING EDGE

Bathroom products from the world's leading designers, architects and innovators.

#### CONTEMPORARY

Materials, shapes and ideas from the modern age.

#### CLASSIC

A range of bathroom fittings, furniture and accessories combining classic styles with modern influences.

Remember, there is no limit to the individuality of your bathroom – virtually everything we supply can be tailored in some way to ensure your finished bathroom is absolutely unique. It is perfectly possible to have an eclectic mix of products from various collections.

Great care has been taken to include all necessary fixtures and fittings within the price of each individual product, to eliminate hidden costs at the point of purchase. All prices exclude VAT.

# TILES & SURFACES

Clinical, utilitarian surfaces in the bathroom are a thing of the past. At C.P. Hart we can draw on a wide range of beautiful materials to complete your bathroom project. These include natural stones such as marble, limestone and travertine; coloured glass, stone and porcelain mosaics; architectural cladding; and new composite materials which are easy to clean, as durable as stone, yet have a slight softness to the touch.

# TERMS & CONDITIONS

These terms & conditions of sale are for our retail and trade credit customers. Customers who purchase via our website should see our website for applicable Terms and Conditions

## Definitions

In these conditions the following words shall have the following meanings:

The "Buyer" shall mean the company, firm, consumer or person seeking to purchase the Goods from the Company.

The "Company" shall mean C.P. Hart & Sons Ltd

The "Contract" shall mean any contract for Goods or Services made between the Company and the Buyer.

The "Goods" shall mean the products, articles or items to be sold by the Company.

The "Services" shall mean any services provided by the Company to the Buyer (whether or not the Buyer shall purchase Goods or not).

## 1. Price

Any price quoted by the Company is based upon current prices ruling as at the date appearing on the quotation, but the actual price charged to the Buyer under the Contract shall be based upon such ruling price (less any discount allowed by the Company) as at the date of order and shall include the cost of shortage and insurance (if any) as per clause 5.3.

VAT will be charged at the current rate.

## 2. Cancellation by the Buyer

There are two groups of products supplied by C.P. Hart & Sons Ltd.

i) Stock products, defined as:- all products currently held in stock.

ii) Non-stock products, defined as 'Specials':- any product that is not held in stock. Special products cannot be cancelled or returned and will be charged for in full.

## 3. Cancellation Charges

Prior to delivery:

Stock Products – no charge

Non-stock Products – non cancellable

After delivery, in original wrapping:

Stock Products – Collection & 25% admin charge

Non-stock Products – non cancellable

After delivery, opened packaging:

Stock Products – non cancellable

Non-stock Products – non cancellable

Goods supplied without packaging must be in a resalable condition. Refunds will not be made for goods that show signs of attempted installation, whether or not in original packaging. Returns are accepted at the sole discretion of The Company.

## 4. Payment

4.1 Retail customers are responsible for ensuring that all goods are paid for in full, 10 business days before delivery. Payment must be by cleared funds to avoid delay in receiving the Goods. The Seller shall not be bound to give up

possession of the Goods until it shall have received payment in cleared funds.

4.2 Credit account customers shall pay the full amount of all invoices within 30 days of receipt of such notice. The Company shall be entitled at its absolute discretion to withdraw credit at any time.

4.3 Time for payment of the goods shall be of the essence of the Contract.

Accordingly if the Buyer fails to make any payment on due date then, without prejudice to any other right or remedy available to the Company, the Company shall be entitled to cancel the Contract or suspend any further deliveries to the Buyer.

4.4 The Company reserves the right to charge interest on all overdue accounts at the rate of 8% per annum above (National Westminster) Bank lending rate from time to time.

4.5 Payment of credit accounts by credit card may be subject to a 2% surcharge.

## 5. Delivery

5.1 Any time or date stated on a written quote or order, or given verbally, is given as an estimate only. Time for delivery of the goods shall not be of the essence unless previously agreed in writing by the Company. Buyers are advised to only commit to an installation schedule once the goods have been received and checked. The company shall not be liable for any costs or other losses incurred by the Buyer, their agents or any other third party due to an installation schedule

committed to by the Buyer prior to the Goods being received and checked.

Any failure to take delivery by the Buyer shall be deemed to be a breach of the Contract.

5.2 The Company shall be entitled to make partial deliveries or deliveries by installments. Each installment shall be a separate agreement to which all the provisions of these conditions shall apply. Signature of any note by an agent, employee or representative of the buyer shall be conclusive proof of delivery.

The Buyer must, within 48 hours of delivery, inspect the goods and immediately advise the Company of any damage for investigation. Quantities of goods supplied should be confirmed at point of delivery, subsequent claims for shortages will not be accepted. Risk of loss or damage to the Goods passes to the Buyer when the Goods are accepted by the Buyer, or the Buyer's representative or agent.

5.3 The Buyer agrees to accept delivery within 3 months of the order being fully available. In the event of the Buyer not accepting the goods within this period, the Company reserves the right to charge storage and insurance of the goods at the rate of 2% of the total order value per month or part thereof.

## 6. Warranty and Liability

6.1 The Company shall make good by reimbursement of the whole or part of the price or at its option by repair or

by replacement any defect developing under normal use of the Goods, provided that the defect in question shall have appeared within 12 months after the Buyer shall have taken possession of the Goods or performance of Services completed, and shall have thereupon promptly notified the Company in writing, and any Goods alleged to be defective shall, if so required by the Company, be made available for collection by the Company. If the Goods are found to be defective any return carriage, delivery expenses and/or direct and predictable reasonable expenses incurred solely due to defective goods will be reimbursed to the Buyer upon provision of evidence of such expense. In the event of the Goods not being defective the Buyer will be liable to reimburse the Company any reasonable expenses or costs incurred by the Company and/or its agents. The Company shall not be liable for any claim or claims relating to any breach of warranty expressed or implied, brought after 12 months of the date of delivery. Extended warranties beyond 12 months are the responsibility of the manufacturer.

6.2 The liability of the Company is also subject to compliance by the Buyer with all the terms contained in this contract.

6.3 The Company shall, in relation to the Goods and Services, have no obligation to the Buyer, other than the express obligations contained in these conditions or in any other document expressly incorporated in writing into the Contract. Accordingly, it shall be for the Buyer to

insure against any liability arising from the performance of the Services and from its use of the Goods.

6.4 Although the Company offers comprehensive advice on the products supplied, the Company shall not be held liable for the suitability of goods, as full installation details cannot be determined at point of sale. All fittings purchased for installation should be confirmed to be suitable by the Buyer and/or the Buyer's installer.

#### 7. Force Majeure

The Company shall have no liability whatsoever for any failure to perform, or any delay in the performance of any of its obligations under the contract arising wholly or in part by reason of any factor beyond its direct control, such as the availability of goods from third parties.
