WELCOME BACK CHAIR

Tivoli recalls the traditional wooden chairs, maintaining comfort and inspiring conviviality. From the right combination of craftsmanship and technological innovation a new collection is born; its soft shapes are designed to ensure the best comfort with great simplicity and executive rigour.

A clean design where the structural elements are perfectly integrated in the frame. The three-dimensional curves and the generous proportions of the back rest make Tivoli an ergonomic and elegant chair.

The collection includes both the chair and the armchair. Upholstered seat and back available.
