feeling at work

'I wanted to design a good, high-quality monitor arm for an attractive price. The height and depth adjustability of the Viewgo arms are excellent. We paid extra attention to that during the development'

Tijs Horn, Product designer at Dataflex

Playful looks, serious value

Different Smart Simple

— This may be our entry-level collection, but that doesn't mean you have to compromise on quality. What's more, despite its original playful design you'll find Viewgo gets pretty serious when it comes to your comfort. It's easy to install, making smart use of materials to minimise costs and ergonomically designed with a tough steel construction. Where other entry-level products are cheap, the Viewgo collection is value-for-money.

Comfort and space.
Two things these great
looking Viewgo monitor
arms give you big time.
