

Fairfax Range, FAI

The Fairfax collection has a confident and contemporary aesthetic. Designed in-house, the collection is ideally suited to corporate reception and executive lounge areas. The elegant low back design, linear form and deep buttoned, tapered seat cushion, delivers a refined range with an impressive level of comfort.

The armchair, 2 and 3-seater sofas demonstrate excellent attention to detail and a superior level of upholstery that would not look out of place in a domestic setting.
