PerfectSense Gloss

A high gloss board offering a smooth ultra-gloss finish with a high reflective surface. PerfectSense Gloss is a premium lacquered MDF board which creates a bold statement of luxury.

- The UV lacquered surface offers a harder wearing surface than other gloss finishes.
- Designed to last and keep any piece of furniture looking luxurious and exclusive.
- 2800 × 2070 mm standard sheet size for excellent utilisation, limited wastage and cost effectiveness.
- Matching products are available – 1 mm ABS edging and 1.3 mm PMMA edging offer the ideal finish to the board. EGGER laminate with an HG texture also offers a coordinating laminate for most of the PerfectSense Gloss boards.

PerfectSense Matt

PerfectSense Matt features a super smooth matt surface. Anti-fingerprint properties mean marks and smudges are prevented and an exclusive high-end finish is created.

- PerfectSense Matt laquered MDF boards can be used in combination with PerfectSense Gloss in the same colour tones. The contrasting textures create an on-trend stylish look.
- 2800 × 2070 mm standard sheet size for excellent utilisation and limited wastage and cost effectiveness.
- Matching products are available – 1 mm ABS edging and 1.3 mm PMMA edging offer the ideal finish to the board. A matching laminate option is available for most of the PerfectSense Matt boards.
- New EGGER PerfectSense TopMatt Laminate offers an even harder wearing surface for horizontal applications.
