| Tokyo's smooth flowing form creates a self-assured presence, whilst its sprung frame guarantees a relaxed sitting experience. Its fine seam patterned upholstery and striking sleek chrome arms demonstrate all the hallmarks of Boss Design.

| Tokyo comes as standard with a polished cast aluminium 4-star base and offers chrome as an alternative option. Tokyo may be supplied with or without arms. It may also be fully upholstered in fabric or leather.

| The chair's organic curves, stream-lined appearance and opulent level of comfort make it a sophisticated choice for any boardroom, contemporary meeting area or executive office. Tokyo would not look out of place in a hospitality or home office setting.
