Mission Zero[®]
our promise to eliminate any
negative impact our company
may have on the environment
by the year 2020.

Level Set™ Collection | LVT

Design Combinations

Interface[®]

Level Set™ Collection

Interface LVT is made to combine with our carpet tile. It comes in the familiar 25 x 100 cm Skinny Plank and 50 x 50 cm Square formats and is thick enough to install next to carpet tile without connectors or bridges. Hard and soft tiles come together to create beautiful design options, creating a new world of integrated flooring choices that make contemporary interiors come to life.
